Emmanuel Akpan Jr. majoring in Neuroscience and a member of the Honors program has been selected to receive a Fulbright English Teaching Assistantship to Cyprus.

Olivia Salama, double majoring in Political Science and Philosophy, and a member of the SJLA Program, has been selected to receive a Fulbright Scholarship in Law to the University of Turku, Finland.

Three other Scranton applicants, who were named Fulbright National Finalists at the end of January, are still awaiting word from their countries, where final decisions should be made in the next eight weeks.

VII. SUSTAINABILITY

The University of Scranton's Office of Sustainability has planned a month of events in celebration of Earth Week 2014, encouraging our entire community to help better our environment. Earth Week events began on April 6, with a film and talk by environmental philosopher and filmmaker Dr. Irene Klaver. On April 22nd an "Earth Day Fair" in DeNaples is planned and will include interactive presentations and information related to the environment and sustainable practices. On April 25th a Campus Electronic Recycling and Document Shredding event will be held. The celebration will conclude on Saturday, April 26 with a 5K Fun Run/Walk on the Lackawanna Valley Heritage Trail.
